Subject: Postmasters/Supervisors Not Permitted to Work in RMPOs

Sisters and Brothers,

The issue of whether postmasters in APOs can work in RMPOs has been addressed with the Postal Service in correspondence that is attached. The Postal Service agrees that that Postmasters/Supervisors are not contractually permitted to perform bargaining unit work in Level 6 and Level 4 RMPOs.

Please forward to local union representatives.

In Solidarity,

Clint Burelson
Clerk Craft Director
American Postal Workers Union, AFL-CIO
